GUEST SPEAKER: Professor Robert Rebelein, associate professor of economics and chair of the Economics Department at Vassar College. From June 2008 to June 2009, he served the Bush and Obama administrations as a senior economist for the Council of Economic Advisers, an agency within the Executive Office of the President. Rebelein's primary research interest is the macroeconomic aspects of public economics, including the aggregate effects of government budget deficits, public health care policies, and social security reform. His other research interests include intergenerational wealth transfers, savings motives, and various income tax issues.

TOPIC: The role of economic advisors on current economic issues.

Please send reservation by: Monday, October 11. Thank you.
Check payable to: Mid-Hudson Chapter AI. Fill in form below, detach and mail to:
